"I went for a walk with my sister last night and we were just under the viaduct when I heard a shot and my sister fell. I turned and three feet away with a revolver in his hand stood her husband. He immediately fired at me.

"The first bullet singed the right arm of my coat. The second grazed my neck. I dropped and lay quiet, pretending I was dead. He stood over me a moment and then I heard two more shots. Then the crowd came. I think he handed the revolver to some friend in the crowd, for none was found on him."

Rovner was arrested in a drug store at Madison Avenue and One Hundred and Seventh Street, where his wife's body had been carried. He was rescued with difficulty from an angry mob and Mr. and Mrs. Marcus Weiss, his wife's parents. He protested he had had no revolver and did no shooting, but the police found two bullet holes through his hat. Recently Mrs. Rovner and her husband parted and she has been living with her parents. Rovner, it is said, has been trying to induce her to return to him.

The police, who failed to find any revolver on Rovner or at the scene of the shooting, found a note on the floor of the drug store that ran:

"If you don't stop annoying me I will telephone for Mr. Mockey and he will do what he thinks best for you. I don't want anything more to do with you any more. ROSE.

"Stop now."

Another note found in Rovner's pocket read:

"Notify my father, Jacob Rovner, No. 2223 Seventh Avenue. I leave it

PRESIDENT WILSON—At Shadow Lawn, preparing his speech to be delivered in Buffalo Wednesday night. Catching up with accumulated business from the White House.

Get from any druggist $2\frac{1}{2}$ ounces of Pinex (50 cents' worth), pour it into a pint bottle and fill the bottle with plain granulated sugar syrup. The total cost is about 54 cents and you will get a really better cough syrup than you could buy ready-made for \$2.50.

This Pinex and sugar syrup preparation gets right at the cause of a cough and gives almost immediate relief.

Pinex is a most valuable concentrate compound of genuine Norway pine extract, combined with guaiacol and has been used for generations to break up severe coughs.

To avoid disappointment, be sure to ask your druggist for " $2\frac{1}{2}$ ounces of Pinex" with full directions, and don't accept anything less. A guarantee of absolute satisfaction or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.—Advt.

The Depths of the Heart
 Are Sounded and Stirred
 by the Wonderful Wizardry of
the Player-Piano

You don't know your own depths,
 until you have played a player-piano

The music that came from the depths of the souls
 of the world's great masters is within it, at your call,
 to play as the masters would have wished it played.
Music—robbed of the difficulties of its rendering.
Music—upon the glory and majesty of which your mind
 may concentrate. *Music*—that opens the doors of mem-
 ory's chambers. *Music*—creator of dreams. *Music*—
 the expression of human feelings which are beyond the
 province of words.

Life is not lived in its completeness
 in the home where there is no player-piano

We have what we believe to be the finest collection of
 PLAYER-PIANOS gathered under any one roof in the
 world. Their TONES are sweet, and full. The play-
 er-actions are almost human in their response to the wish of
 the player, in the quick change of expression and tempo.
 Their cases are simple. Their prices are moderate, beginning
 at \$395 for the Lindeman & Sons' Player-piano.
